...IMPREGNATE ME.
LET'S GO!

WHAT?
Well then,

I must bid you farewell here, Lord Ainz.

You've done well.

Guard the first floor until we return.

Understood.

"Gate"
I never thought that Lord Alniz would come here...

I'm sorry, it's so dirty...

Don't worry, I am the one who suddenly made the decision to come here, Aria.

You created this place for me, so it is no different from Nazarick.
WHAT IS THAT?

THOUGH I AM CURIOUS ABOUT ONE THING.

I DON'T REALLY WANT TO SIT ON THAT...

THOUGH IT IS RATHER PLAIN, IT WAS PREPARED FOR USE AS A THRONE.

FRIGGIN, WHAT IS IT MADE OF?

I RECALL PROMISING THAT I WOULD THINK OF A PUNISHMENT FOR YOU.

WE GATHERED THE BEST PARTS OF CREATURES SUCH AS GRIFFINS AND WYVENS.
I haven't even considered this idea!

How brilliant!

Only a guardian is good enough to serve as a seat for a supreme being!

This is rather unfortunate after you went to the effort of creating that for me.

I can feel Lord Ainz... directly...

My apologies, Lord Ainz.

But may I leave the room for a short while?

Hm? Very well, go.
I'm really sorry...

When I left the room, I accidentally bumped into a wall.

Could you fix it later?

Ah... okay...

Shall Tear, is this hard on you?

I suppose I'm pretty heavy.

Repulsed

Why, this is actually a reward for me!
I believe everything went perfectly, Lord Ainz.

Were the lizardmen frightened?

The first step of Cocytus' wish to show our strength is a success.

In that case,

No, my beasts and the undead you granted me are currently on lookout,

but they have not detected anything unusual, Lord Ainz.

AURA,

Have you detected anything?

So this also functioned as a test of its effectiveness.

CREATION is a super-tier magic that can only be used four times per day.

If they weren't shocked, this would have all been pointless.
EVEN THOUGH THIS UNPROTECTED FORTRESS GIVES THEM A PERFECT OPPORTUNITY TO ATTACK US...

WE HAVE MADE OURSELVES THIS VULNERABLE,

WHY IS THE ONE THAT USED A WORLD-CLASS ITEM ON SMALL-SCALE NOT DOING ANYTHING?

BUT PREVIOUSLY

THERE HAD BEEN A GROUP THAT USED OUIROBOROS—ONE OF THE TWENTY—AGAINST US.

I HAD CONSIDERED THAT,

PERHAPS THEY ARE OBSERVING US WITH A WORLD-CLASS ITEM THAT WE CANNOT DETECT.
THEIR SHOULDN'T BE ABLE TO OBSERVE US SINCE WE POSSESS WORLD-CLASS ITEMS...

THE POSSESSOR OF A WORLD-CLASS ITEM CANCELED OUT ANOTHER WORLD-CLASS ITEM'S EFFECTS.

THIS MAY BE FOOLISH, BUT MAY I SAY IT?

THOUGH IT ISN'T IMPOSSIBLE...

WHAT IS IT?

DOES THAT ENEMY NOT HAVE THE OPTION OF AVOIDING US WHILE THEY REMAIN UNKNOWN TO US?
There is the matter of Shalltear having been defeated with the use of an item.

W-well, I have considered that possibility.

My apologies.

Since such crystals are so valuable in this world, no one would consider experimenting with them.

But it had gone out of control.

I had told the guild that I used a sealing crystal.

Ah.

What will we do?

In the case that the enemy has more of that item?
UNDERSTOOD.

ANYONE WITH A LARGE NUMBER OF CRYSTALS WILL SEE THROUGH THE LIE.

I'D LIKE TO MAKE YOUR CONCERNS KNOWN TO THE OTHER GUARDIANS.

I WANNA RUN AWAY...

BUT IT WON'T BE A PROBLEM.

AND REALIZE THAT MOMEMON AND SHALLTEAR ARE EQUALLY STRONG.

THEY MAY EVEN START TO DOUBT THE RELATIONSHIP BETWEEN THEM...

I SEE...

THEY WILL LIKELY GO AROUND BEHIND THE SCENES.

IF THEY ARE HOSTILE TO LORD AIZU,

AND SPREAD RUMORS THAT MOMON WAS WORKING WITH THE VAMPIRE.

PLEASE ALLOW ME TO ANSWER.

WHAT DO YOU THINK THE ENEMY WILL DO NEXT?

...ALBEDO AND ALL GUARDIANS,
Firstly,

They may not have finished investigating momon,
or they might not desire hostilities.

Next,

It's possible that they only encountered shalltear by chance.

In that case,

Our moves are limited when dealing with an unknown enemy.

In any case,

The lack of information is the biggest issue.

That wouldn't be good...

Splendid demilune.

In that case, I have another question for you.

Why hasn't the enemy not done so?

I can't count that option cut...
Why not associate ourselves with some country?

Very well. Demiurge, please explain.

It seems Aura and the others don't understand. I see, that's how it is.

If Lord Ainz is to encounter this unknown enemy and end up fighting them, we will need to have some way of resolving certain issues in our negotiations.
That's not what I meant.

Lord Ainz were to be controlled by someone?

If you were to be under someone's control, you would have an excuse for your actions.

This is a hypothetical situation.

Being controlled would be a great excuse, would it not?

I see...

As expected of Lord Ainz!

For example, you might have been forced to do something because some country ordered you to.

This would allow you to shift blame somewhere else to an extent.
But it would seem that you had already come to a similar conclusion, Lord Ainz.

Demurge thought of this idea, not me.

I don't want to take all of the credit for myself.

As expected of Lord Ainz.

Adding to that, this would allow us to more easily gather information.

As expected of Lord Ainz.

Despite being inferior beings, those humans can still be useful.
I think the lizardmen have had enough time.

Well then, we'll need to infiltrate some country...

Let's check if they're trying to do anything unexpected.

The six that seem to be leaders are...

That one called himself Zaryusu, didn't he?

Perhaps he's inside a house.

...the white one and the one with a magic weapon are nowhere to be seen.

They seem to be wasting their time with futile efforts.
DEMIURGE,
RIGHT AWAY.
BRING THE INFINITE HAVERSACK.

FIRST,
LET'S LOOK INSIDE THIS HOUSE.
IT'S DARK, BUT WITH THESE EYES...
...well, they're going to die soon.

So I suppose it makes sense that their instincts push them towards preserving their bloodlines.

What an unpleasant lot! They do this despite knowing that Coctitus is going to fight them soon!

I voice my agreement with Demiurge!
WE SHOULD JUST ASSUME THAT

ENOUGH, SILENCE.

IF ONLY I COULD DO IT WITH LORD ALNIZ...

WE CAN AFFORD TO FORGIVE THEM FOR THAT!

UM... I... UM...

IT IS EXACTLY AS YOU SAY!

TRULY!

THERE'S NO ONE IN THAT VILLAGE THAT WE NEED TO WATCH OUT FOR.

THAT SAID, YOU SHOULDN'T LET YOUR GUARD DOWN, ALIRA...

AGE ASIDE, IT'S TOO SOON FOR THEM TO LEARN ABOUT THIS!

OH NO!
... in any case.

How could this have happened?!

How would a father explain this sort of thing to his children?

If the lookouts detect anything, I will go out there along with all the guardians.

While I would be breaking my promise with Cocytus, this is to protect someone important.

... well then.
THERE'S NOT MUCH TIME LEFT.
WELL OPEN A PATH TO THE FUTURE

WE'VE ASSEMBLED ONLY THE WARRIORS.

WITH THE SMALLEST POSSIBLE SACRIFICE.

WARRIORS...

MOVE OUT!

Is Coocytus not happy about this?
